MEMORANDUM FOR: Mr. James Q. Reber
TALENT Control Officer
Central Intelligence Agency

Subject: JCS TALENT Billets

1. The Director of The Joint Staff has determined that eight new billets now have a "need to know" and should have access to TALENT information in order that they can properly carry out their assigned missions in support of the Joint Chiefs of Staff. The recent reorganization and expansion of JCS and the establishment of a new staff concept has made this necessary.

2. Request that the attached consolidated list of JCS positions, which includes the eight new billets referred to above, be accepted as the authorized and approved list and that it supersede all previous position lists.
